How shall we build it up again, up again, up again?  
How shall we build it up again, my fair lady?

Build it up with silver and gold, silver and gold, silver and gold  
Build it up with silver and gold, my fair lady

Silver and gold will be stolen away, stolen away, stolen away  
Silver and gold will be stolen away, my fair lady

Build it up with iron and steel, iron and steel, iron and steel  
Build it up with iron and steel, my fair lady

Iron and steel will bend and bow, bend and bow, bend and bow

Daisy, Daisy, give me your answer do

Of a bicycle built for two

MYFCD04 TRACK 20 / 23  
**WE'RE GOING ON A HOLIDAY**

Sitting in my seat in the back of the car  
The engine goes brrmm, are we going far?  
There's Mummy and Daddy and baby and me  
Looking out the window what do I see?  
The traffic lights flash green, amber and red  
The motorcyclist with a helmet on his head  
The big grey lorry with a heavy load  
As we drive along the road

(chorus)

We're going on holiday, heading for the beach to play  
Swimming in the sea all day, splashing away  
We're going on holiday, heading for the beach to play  
We're going on holiday

We're on a big ship, its funnels are red  
The captain's aboard so full steam ahead  
There's Mummy and Daddy and baby and me  
Looking out the window what do I see?  
The splash and the crash of the waves so high  
The seagulls flying all around in the sky  
The sailors in their yachts waving up to me  
As we sail out to sea

(chorus)

In an aeroplane we are going to fly  
The seat belts click, let's head for the sky  
There's Mummy and Daddy and baby and me  
Looking out the window what do I see?  
The engines that roar are silver and grey  
The runway lights that point the way  
The fluffy white clouds that float so high  
As we fly up in the sky

(chorus)

**THE GRAND OLD DUKE OF YORK**

Oh the grand old duke of York  
He had ten thousand men  
He marched them up to the top of the hill  
And he marched them down again  
And when they were up, they were up  
And when they were down, they were down  
And when they were only half way up  
They were neither up nor down

Oh the grand old duke of York  
He had ten thousand men  
They played their pipes to the top of the hill  
And they played them down again  
And when they were up, they were up  
And when they were down, they were down  
And when they were only half way up  
They were neither up nor down

Oh the grand old duke of York  
He had ten thousand men  
They banged their drums to the top of the hill  
And they banged them down again  
And when they were up, they were up

They were neither up nor down
