STNCD01 TRACK 1 / 22  
**ANIMAL JUNGLE**

There are lions and tigers  
Cheeky chimpanzees  
In the animal jungle

Who's that there?  
It's a big brown bear  
In the animal jungle

Watch were you tread  
Don't you make a sound  
Whatever you do  
Don't turn around  
Don't sit there  
That's a termite mound!  
In the animal jungle, animal jungle

STNCD01 TRACK 3 / 22  
**IF YOU MEET A TIGER**

If you meet a tiger on your daily stroll  
Simply smile and say, "Well bless my soul  
You're the first big cat I've seen today"  
And quickly creep away

If you meet a lion on your daily walk  
Simply smile and say, "I've time to talk,  
You're the first big cat I've seen today"  
And quickly creep away

You see all big cats are jealous  
Of each others territory  
Don't let on, move along  
Avoiding injury

If you meet a tiger on your daily stroll  
Simply smile and say, "Well bless my soul  
You're the first big cat I've seen today"  
And quickly creep away

If you meet a lion on your daily walk  
Simply smile and say, "I've time to talk  
You're the first big cat I've seen today"  
And quickly creep away  
Better not delay  
Or you'll end up as prey!

STNCD01 TRACK 4 / 22  
**FIVE LITTLE SPECKLED FROGS**

Five little speckled frogs  
Sat on a speckled log  
Eating some most delicious grub, yum yum  
One jumped into the pool  
Where it was nice and cool  
Now there are four more speckled frogs, glub glub

Four little speckled frogs  
Sat on a speckled log  
Eating some most delicious grub, yum yum  
One jumped into the pool  
Where it was nice and cool  
Now there are three more speckled frogs, glub glub

Three little speckled frogs  
Sat on a speckled log  
Eating some most delicious grub, yum yum  
One jumped into the pool  
Where it was nice and cool  
Now there are two more speckled frogs, glub glub

Two little speckled frogs  
Sat on a speckled log  
Eating some most delicious grub, yum yum  
One jumped into the pool  
Where it was nice and cool  
Now there is one more speckled frog, glub glub

One little speckled frog  
Sat on a speckled log  
Eating some most delicious grub, yum yum  
One jumped into the pool  
Where it was nice and cool  
Now there are no more speckled frogs

STNCD01 TRACK 5 / 22  
**CHEEKY CHIMPANZEES**

Swinging from tree to tree to tree  
Those cheeky chimpanzees  
Chasing each other so playfully  
Those cheeky chimpanzees  
They're hooting, scooting  
Right up to the top  
They're messing about til time for bed  
For then they have to stop

Chewing bananas one two three  
Those cheeky chimpanzees  
Grooming each other so carefully  
Those cheeky chimpanzees  
They tumble, stumble  
Jump and roll and flop  
They're messing about til time for bed  
For then they have to stop

Making a racket, a rumpus, a row  
Those cheeky chimpanzees  
Tagging along from bough to bough  
Those cheeky chimpanzees  
They're rolling, strolling  
Bounce and swing and hop  
They're messing about til time for bed  
For then they have to stop

It's nearly time to go to sleep  
For cheeky chimpanzees  
Into bed, they're ready to creep  
Those cheeky chimpanzees  
They're dreaming scheming  
For a brand new day  
Night night sleep tight  
Til morning light  
Cos then its time to play!

STNCD01 TRACK 7 / 22  
**ONE BABY ZEBRA**

One baby zebra was born on the plain  
He tried to get up but he fell  
One baby zebra was so very tired  
He went to sleep for a spell

One baby zebra woke up with a start  
He tried to get up from the floor  
First one leg and another leg and push very hard  
But he fell to the ground once more

One baby zebra was getting quite cross  
He wanted to play with his chum  
One baby zebra was having no fun  
Lying around on his tum

So one baby zebra for the very last time  
Struggled right down to his bones  
First front legs then back legs and push very hard  
At last he could stand on his own

STNCD01 TRACK 8 / 22

STNCD01 TRACK 11 / 22  
**RHINO RHINO**

There's nothing so calm as a rhinoceros  
You leave him alone, he's not dangerous  
He's quietly munching some lovely grass  
And bothering no-one

There's nothing so cool as a rhinoceros  
You leave him alone, he's not looking at us  
He's chewing a leaf that he tore off a bush  
And now it's all gone

Rhino, rhino, we're very sorry please  
We thought you were angry, bad-tempered and cross, we didn't mean to tease  
Rhino, rhino, you must think we are mean  
You're the kindest, the nicest, the friendliest beast, the jungle's ever seen

There's nothing so meek as a rhinoceros  
He doesn't like noise or making a fuss  
He's rolling around in a big pit of mud  
That guards him from sun  
There's nothing so mild as a rhinoceros  
His body is strong, he is enormous  
He's pushing a log with the horn on his head  
And that looks like fun

Rhino, rhino, we're very sorry please  
We thought you were angry, bad-tempered and cross, we didn't mean to tease  
Rhino, rhino, you must think we are mean  
You're the kindest, the nicest, the friendliest beast, the jungle's ever seen

Rhino, rhino, we're very sorry please  
We thought you were angry, bad-tempered and cross, we didn't mean to tease  
Rhino, rhino, you must think we are mean  
You're the kindest, the nicest, the friendliest beast, the jungle's ever seen

You're the kindest, the nicest, the friendliest beast, the jungle's ever seen

STNCD01 TRACK 12 / 22  
**5 LITTLE MONKEYS**

5 little monkeys bouncing on the bed  
One fell off and bumped his head  
Mama called the doctor and the doctor said  
No more monkey business bouncing on the bed

4 little monkeys bouncing on the bed  
One fell off and bumped his head  
Mama called the doctor and the doctor said  
No more monkey business bouncing on the bed

3 little monkeys bouncing on the bed  
One fell off and bumped his head  
Mama called the doctor and the doctor said  
No more monkey business bouncing on the bed

2 little monkeys bouncing on the bed  
One fell off and bumped his head  
Mama called the doctor and the doctor said  
No more monkey business bouncing on the bed

1 little monkey bouncing on the bed  
He fell off and bumped his head  
Mama called the doctor and the doctor said  
No more monkey business bouncing on the bed

No little monkeys bouncing on the bed  
They're all bouncing on the sofa instead

STNCD01 TRACK 13 / 22  
**THE TERMITE AND THE SNAKE**

One hot and steamy afternoon, a jungle termite sang a tune  
 But he was bored, his friends ignored, the lovely melody

Then from a branch a snake awoke, he yawned a little then he spoke  
 "What lovely song, I'll find the one, who sings so beautifully"

(Termites chorus)

"Dance with me, round and round, sing a little song by a termite mound  
 Can't catch me, I won't be found" (whistle)

The snake looked here, the snake looked there  
 Under stones, and everywhere  
 The little mite, was not in sight, across the jungle floor

"Please show yourself," asked Mr Snake  
 "Your song has made me wide awake, so well disguised, from prying eyes"  
 The termite sang again....

"Dance with me, round and round, sing a little song by a termite mound  
 Can't catch me, I won't be found" (whistle)

By now the snake was getting cross, he curled up on a patch of moss  
 The termite's song, went on too long, and lost its charm somehow

For one last time, the snake implored  
 "Please show yourself, I must reward, this lovely voice  
 Who, still by choice, is hiding from me now!"

"Dance with me, round and round, sing a little song by a termite mound  
 Can't catch me, I won't be found" (whistle)

"Dance with me, round and round, sing a little song by a termite mound  
 Can't catch me, I won't be... (chomping sounds)

"Delicious"

STNCD01 TRACK 14 / 22  
**PRISCILLA THE MIGHTY GORILLA**

Priscilla, Priscilla the mighty gorilla  
The queen of the ape family  
Priscilla, Priscilla the mighty gorilla  
She's bigger than you and me  
No lion or tiger can scare  
She's so very safe right up there  
Priscilla, Priscilla the mighty gorilla  
We salute you, your majesty

Priscilla, Priscilla the mighty gorilla  
The queen of the ape family  
Priscilla, Priscilla the mighty gorilla  
She's bigger than you and me  
No lion or tiger can scare  
She's so very safe right up there  
Priscilla, Priscilla the mighty gorilla  
We salute you, your majesty

Keep it up, keep it up, keep it up, you chimpanzees  
By the left, by the right, by the left, you monkeys  
Gibbons and baboons eyes right, if you please  
For the march of the primates, our parade must be straight

No lion or tiger can scare  
She's so very safe right up there  
Priscilla, Priscilla the mighty gorilla  
We salute you, your majesty

**THE BEAR WENT OVER THE MOUNTAIN**

The bear went over the mountain  
The bear went over the mountain  
The bear went over the mountain  
    To see what he could see!  
    To see what he could see!  
    To see what he could see!  
But the other side of the mountain  
    The other side of the mountain  
    The other side of the mountain  
    Was all that he could see!

(repeat)

STNCD01 TRACK 19 / 22  
**ANIMAL FAIR**

I went to the Animal Fair  
The birds and the beasts were there  
The big baboon by the light of the moon  
Was combing his auburn hair

You should have seen the monk  
He sat on the elephant's trunk  
The elephant sneezed and fell on his knees  
And that was the end of the monk, the monk

Said a flea to a fly in a flue  
Said the flea, Oh what shall we do?  
Said the fly, let us flee; said the flea, let us fly  
So they flew through a flaw in the flue

I went to the Animal Fair  
The birds and the beasts were there  
The big baboon by the light of the moon  
Was combing his auburn hair

You should have seen the monk  
He sat on the elephant's trunk  
The elephant sneezed and fell on his knees  
And that was the end of the monk, the monk

There are cheetahs and panthers  
Slithery snakes  
In the animal jungle

On that log  
It's a tropical frog!  
In the animal jungle

Stay quite still
