The world of mini-beasties  
Living all so comfortably  
Worms, spiders, ants, with all their families

Look all around you and you'll find a world of such beauty  
To hold, touch, taste, smell and see

Look in the garden and what can you see?  
A world full of colour  
Red roses, white ones too  
Green grass, brown soil and lavender's blue

Look all around you and you'll find a world of such beauty  
To hold, touch, taste, smell and see

Go into the garden and what can your hear?  
A world of different noises  
Birds singing merrily, buzzing mini-beasties  
Wasps, flies and bees

Look all around you and you'll find a world of such beauty  
To hold, touch, taste, smell and see

Go into the garden and what can you feel?  
A world of different texture  
Soft leaves, sharp holly too  
Smooth stones, hard branches, that you can break in two

Look all around you and you'll find a world of such beauty  
To hold, touch, taste, smell and see

Go into the garden and what can you taste?  
The world of different flavours  
Blackcurrants, strawberries  
Plums, apples, pears, to pluck from the trees

Look all around you and you'll find a world of such beauty
