WIGGLY WOO

There's a worm at the bottom of the garden
And his name is wiggly woo
There's a worm at the bottom of the garden
And all that he can do
Is wiggle all day and wiggle all night
The neighbours say he's a terrible fright
There's a worm at the bottom of the garden
And his name is wiggly woo

There's a worm at the bottom of the garden
And his name is wiggly woo
There's a worm at the bottom of the garden
And all that he can do
Is wiggle along and wiggle around
And wiggle himself back under the ground
There's a worm at the bottom of the garden
And his name is wiggly woo

STNCD08 TRACK 6 / 26

CREEPY CRAWLIES

Spiders always have eight legs
 And spiderlings hatch out from eggs
 And with their silk a web they weave
 There's one crawling up your sleeve

Creepy crawlies
 Creepy crawlies
 Creepy crawlies
 Creepy crawlies
 There's a lot of creepy crawlies over here

Wasps and termites, ants and bees
 Butterflies and tiny fleas
 Centipedes, caterpillars too
 There's one wriggling on your shoe

Creepy crawlies
 Creepy crawlies
 Creepy crawlies
 Creepy crawlies
 There's a lot of creepy crawlies over here

Creepy crawlies
 Creepy crawlies
 Creepy crawlies
 Creepy crawlies
 You never know where those bugs will next appear

Creepy crawlies
 Creepy crawlies
 Creepy creepy crawlies
 Creepy creepy crawlies
 There's a creepy crawly always somewhere near

SLUGS LOVELY SLUGS

Slugs, lovely slugs
King of the bugs, marvellous slugs
Slugs crawling on rugs
Drinking from mugs, wonderful slugs

Slime, lovely slime
They leave behind, all of the time, so...
Slugs, give them a hug
Never say 'ugh!', to wonderful slugs

Slime, lovely slime
They leave behind, all of the time

Snails, staggering snails
Leaving a trail, fabulous snails
Snails, harder than nails
Sliding down rails, excellent snails

Slime, lovely slime
They leave behind, all of the time, so...
Snails, tell them a tale
It never fails, to entertain snails

Slime, lovely slime
They leave behind, all of the time, so...
Snails, tell them a tale
It never fails, to entertain snails

ONE GRASSHOPPER

One grasshopper jumped right over another grasshopper's back
 And another grasshopper jumped right over that other grasshopper's back
 A third grasshopper jumped right over the two grasshoppers' backs
 And a fourth grasshopper jumped right over, the other grasshoppers' backs

They were only playing leapfrog, they were only playing leapfrog
 They were only playing leapfrog
 When one grasshopper jumped right over the other grasshopper's back

One cicada jumped right over, another cicada's back
 And another cicada jumped right over, that other cicada's back
 A third cicada jumped right over, the two cicadas' backs
 And a fourth cicada jumped right over, the other cicadas' backs

They were only playing leapfrog, they were only playing leapfrog
 They were only playing leapfrog
 When one cicada jumped right over, the other cicada's back

One grasshopper jumped right over, another grasshopper's back
 And another grasshopper jumped right over, that other grasshopper's back
 A third grasshopper jumped right over, the two grasshoppers' backs
 And a fourth grasshopper jumped right over, the other grasshoppers' backs

They were only playing leapfrog, they were only playing leapfrog
 They were only playing leapfrog
 When one grasshopper jumped right over the other grasshopper's back

They were only playing leapfrog, they were only playing leapfrog
 They were only playing leapfrog
 When one grasshopper jumped right over, the other grasshopper's back

THE WRIGGLY WIGGLY SONG

I met a charming centipede, a-walking down the street
 A friendly chap I have no doubt, he really is quite sweet
 We talked about the sunshine, we talked about the rain
 I said 'Goodbye, I have to fly!' He said 'I'll do the same!' he went...

Wiggly wiggly wiggly wiggly, wiggly up and down
 Wiggly wiggly wiggly wiggly, all around the town
 Wiggly wiggly wiggly wiggly, marching up the street
 Wiggly wiggly wiggly wiggly, what a lot of feet!

I met a lovely millipede, a-walking down the way
 A charming dame I have no doubt, quite pretty I must say
 We talked about the sunshine, we talked about the rain
 I said 'Goodbye, I have to fly!' He said 'I'll do the same!' she went...

Wiggly wiggly wiggly wiggly, wiggly up and down
 Wiggly wiggly wiggly wiggly, all around the town
 Wiggly wiggly wiggly wiggly, marching up the street
 Wiggly wiggly wiggly wiggly, what a lot of feet!

I met a silly earthworm, a-walking down the lane
 A cheeky gent I have no doubt, perhaps a little plain
 We talked about the sunshine, we talked about the rain
 I said 'Goodbye, I have to fly!' He said 'I'll do the same!' he went...

Wiggly wiggly wiggly wiggly, wiggly up and down
 Wiggly wiggly wiggly wiggly, all around the town
 Wiggly wiggly wiggly wiggly, marching up the street
 Wiggly wiggly wiggly but, he hasn't got any feet!

He went..

Wiggly wiggly wiggly wiggly, wiggly up and down
 Wiggly wiggly wiggly wiggly, all around the town
 Wiggly wiggly wiggly wiggly, marching up the street
 Wiggly wiggly wiggly but, he hasn't got any feet!

STNCD08 TRACK 13 / 26
WE'RE THE WASPS

One hot summer in Crawly Down
A million wasps flew into town
The people cried 'What can we do?'
'They sting, they dive, they hum, they chew!'

(chorus)

We're the wasps, we're the wasps
We're the wasps and we're going to sting you
We're the wasps, we're the wasps
We're the wasps and we're going to sting you

The people met at the village hall
'The wasps must go but how?' they call
'A great big giant apple flan
Might trap the wasps' said the cake shop man

(chorus)

Everybody gave a hand
To make the biggest pie in the land
They sliced and spread the pastry quick
And spooned the apple chunks on thick

(chorus)

The trap was laid the wasps were near
The sticky filling would cost them dear
They fed but while they grew fat
A giant cake slice squashed them flat

(chorus)

The people cheered and danced around
No more wasps in Crawly Down
That may not be the end I fear
The wasps might come back again next year

(chorus)

STNCD08 TRACK 14 / 26
THE SPIDER AND THE FLY

"Will you walk into my parlour?" said the spider to the fly
 'Tis the prettiest little parlour that you ever did spy
 You have only got to pop your head just inside of the door
 You'll see so many curious things you never saw before"

Oh will you, will you, will you, will you, walk in Mr Fly?
 Oh will you, will you, will you, will you, walk in Mr Fly?

"Will you grant me one sweet kiss?" said the spider to the fly
 "For to taste your charming lips, I've a curiosity
 But if perchance our lips should meet a wager I should lay
 Of ten to one you would not care to let them come away!"

Oh will you, will you, will you, will you, walk in Mr Fly?
 Oh will you, will you, will you, will you, walk in Mr Fly?

"For the last time now I ask you, will you walk in Mr Fly?"
 "No if I do may I be shot, I'm off, so now goodbye!"

Then up he springs but both his wings were in the web caught fast
 The spider laughed, "Ha ha my boy I've caught you safe at last!"

Oh will you, will you, will you, will you, walk in Mr Fly?
 Oh will you, will you, will you, will you, walk in Mr Fly?

Now all young folk take warning by this foolish little fly
 For pleasure is the spider's web to catch you it will try
 And though you may now think that my advice you want no more
 You're lost if you stand parleying outside of pleasure's door!

Oh will you, will you, will you, will you, keep out Mr Fly?
 Oh will you, will you, will you, will you, keep out Mr Fly?

A SWARM OF BEES IN MAY

A swarm of bees in May
Is worth a load of hay
A swarm of bees in June
Is worth a silver spoon
A swarm of bee in July
Is not worth a fly

STNCD08 TRACK 16 / 26
WRIGGLY WORM

Underneath a stone where the earth was firm
There I found a wriggly wriggly worm
“Good morning” I said “How are you today?”
But the wriggly worm just wriggled away

(repeat)

STNCD08 TRACK 17 / 26
NORMAN THE NAUGHTY GNAT

Norman, what a very naughty gnat
A very naughty gnat is he
Norman, wears a teeny tiny hat
He stole it from a passing flea

And all the other gnats in town
Follow naughty Norm around
You never know what Norm will do
Let's hope he doesn't do something to you!

Norman, what a very naughty gnat
Please be nice to me!

Norman, what a very naughty gnat
A very naughty gnat is he
Norman, wears a beautiful cravat
He pinched it from a bumblebee

And all the other gnats will know
When naughty Norm is on the go
You never know what Norm will do
Let's hope he doesn't do something to you!

Norman, what a very naughty gnat
Please be nice to me!

Norman, what a very naughty gnat
A very naughty gnat is he
Norman, what a nasty spoilt brat
He's everybody's enemy

And all the other gnats get on
But Norman's always doing wrong
You never know what Norm will do
Let's hope he doesn't do something to you!

Norman, what a very naughty gnat
Please be nice to me!

STNCD08 TRACK 18 / 26
FIVE LITTLE SPECKLED FROGS

Five little speckled frogs
Sat on a speckled log
Eating some most delicious grub, yum yum
One jumped into the pool
Where it was nice and cool
Now there are four more speckled frogs, glub glub

Four little speckled frogs
Sat on a speckled log
Eating some most delicious grub, yum yum
One jumped into the pool
Where it was nice and cool
Now there are three more speckled frogs, glub glub

Three little speckled frogs
Sat on a speckled log
Eating some most delicious grub, yum yum
One jumped into the pool
Where it was nice and cool
Now there are two more speckled frogs, glub glub

Two little speckled frogs
Sat on a speckled log
Eating some most delicious grub, yum yum
One jumped into the pool
Where it was nice and cool
Now there is one more speckled frog, glub glub

One little speckled frog
Sat on a speckled log
Eating some most delicious grub, yum yum
One jumped into the pool
Where it was nice and cool
Now there are no more speckled frogs

STNCD08 TRACK 20 / 26
THE TERMITE AND THE SNAKE

One hot and steamy afternoon, a jungle termite sang a tune
 But he was bored, his friends ignored, the lovely melody

Then from a branch a snake awoke, he yawned a little then he spoke
 "What lovely song, I'll find the one, who sings so beautifully"

(Termites chorus)

"Dance with me, round and round, sing a little song by a termite mound
 Can't catch me, I won't be found" (whistle)

The snake looked here, the snake looked there
 Under stones, and everywhere
 The little mite, was not in sight, across the jungle floor

"Please show yourself" asked Mr Snake
 "Your song has made me wide awake, so well disguised, from prying eyes"
 The termite sang again....

"Dance with me, round and round, sing a little song by a termite mound
 Can't catch me, I won't be found" (whistle)

By now the snake was getting cross, he curled up on a patch of moss
 The termite's song, went on too long, and lost it's charm somehow

For one last time, the snake implored..
 "Please show yourself, I must reward, this lovely voice
 Who, still by choice, is hiding from me now!"

"Dance with me, round and round, sing a little song by a termite mound
 Can't catch me, I won't be found" (whistle)

"Dance with me, round and round, sing a little song by a termite mound
 Can't catch me, I won't be... (chomping sounds)

"Delicious"

STNCD08 TRACK 21 / 26
FOUR AND TWENTY TAILORS

Four and twenty tailors, went to kill a snail
The best man amongst them, dare not touch her tail
She put out her horns, like a little Kyloe cow
Run tailors run, or she'll chase you even now

STNCD08 TRACK 22 / 26

PRETTY FIREFLY

Can you see the pretty firefly?
Hurrying across the night sky
Watch the orange trail she weaves tonight

Is she looking for a friend to talk to?
Share a little drink of honeydew
Then carry on her lonely nighttime flight

Is she searching for a safer homestead?
Somewhere she can rest her poor head
Firefly we won't hurt you come to us

You can be our lovely night-light
And we promise we will sleep tight
And dream that we can fly away with you

Is she searching for a safer homestead?
Somewhere she can rest her poor head
Firefly we won't hurt you come to us

You can be our lovely night-light
And we promise we will sleep tight
And dream that we can fly away with you

STNCD08 TRACK 23 / 26
THERE WAS AN OLD LADY

There was an old lady who swallowed a fly
 I dunno why she swallowed that fly, perhaps she'll die

There was an old lady who swallowed a spider
 That wriggled and jiggled and wiggled inside her
 She swallowed the spider to catch the fly
 But I dunno why she swallowed that fly, perhaps she'll die

There was an old lady who swallowed a bird
 How absurd, to swallow a bird!
 She swallowed the bird to catch the spider
 That wriggled and jiggled and wiggled inside her
 She swallowed the spider to catch the fly
 But I dunno why she swallowed that fly, perhaps she'll die

There was an old lady who swallowed a cat
 Imagine that, she swallowed a cat
 She swallowed the cat to catch the bird
 She swallowed the bird to catch the spider
 That wriggled and jiggled and wiggled inside her
 She swallowed the spider to catch the fly
 But I dunno why she swallowed that fly, perhaps she'll die

There was an old lady who swallowed a dog
 What a hog! To swallow a dog!
 She swallowed the dog to catch the cat
 She swallowed the cat to catch the bird
 She swallowed the bird to catch the spider
 That wriggled and jiggled and wiggled inside her
 She swallowed the spider to catch the fly
 But I dunno why she swallowed that fly, perhaps she'll die

There was an old lady who swallowed a goat
 Just opened her throat and swallowed a goat
 She swallowed the goat to catch the dog
 She swallowed the dog to catch the cat
 She swallowed the cat to catch the bird
 She swallowed the bird to catch the spider
 That wriggled and jiggled and wiggled inside her
 She swallowed the spider to catch the fly
 But I dunno why she swallowed that fly, perhaps she'll die

There was an old lady who swallowed a horse - she's dead, of course

STNCD08 TRACK 24 / 26
THE CATERPILLAR SONG

There once was a baby caterpillar, green and covered in hair
He spied himself in a mirror, but didn't like what he saw there

Why don't I look like my handsome father?, I should be like dad
I'm all small, he's so tall, his father smiled and said

Son, you'll be like me some day, you've just got to wait
Son, I love you just the way you are, just trust to fate

Weeks went by and nothing happened, day by day he grew
Little caterpillar cried, but his father knew

He said...

Son, you'll be like me some day, you've just got to wait
Son, I love you just the way you are, just trust to fate

Then one strange and different day, caterpillar fell asleep
Four weeks later he awoke, into the mirror peeped.

Two fine wings were on his back, six long legs he had
Every colour in its place, all just like his dad

And he remembered...

Son, you'll be like me some day, you've just got to wait
Son, I love you just the way you are, just trust to fate

Son, you'll be like me some day, you've just got to wait
Son, I love you just the way you are, just trust to fate
