SSCD10 TRACK 1 / 20
I AM A PIRATE BOLD

I am a pirate bold yo ho, I am a pirate bold
 Yes ever since I was eight years old
 I've been a pirate bold
 I remember my first treasure hunt trip
 I dreamed I'd captain my very own ship
 For a life of silver and gold yo ho, is the life of a pirate bold
 Yes a life of silver and gold yo ho, is the life of a pirate bold

Yes ever since his first treasure hunt trip
 He'd dreamed he'd captain his very own ship
 For a life of silver and gold yo ho, is the life of a pirate bold

I'm fond of a pirate prank yo ho, I'm fond of a pirate prank
 Like making someone walk the plank yo ho
 Yes that's a good pirate prank!
 We'll lower the flag so we're in disguise
 Then give some poor galleon such a surprise
 For a life of silver and gold, is the life of a pirate bold
 Yes a life of silver and gold yo ho, is the life of a pirate bold

They lower the plank, so were in disguise
 They give some poor galleon such a surprise
 For a life of silver and gold yo ho, is the life of a pirate bold

I've got me a good treasure map yo ho
 I've got me a good treasure map
 And good fortune should fall in my lap yo ho
 Now I've got me a good treasure map
 So I'll find me an island
 I'll find me a tree
 For the cross says that that's where the treasure will be
 For a life of silver and gold, is the life of a pirate bold
 Yes a life of silver and gold yo ho, is the life of a pirate bold

We'll find us an island, we'll find us a tree
 For the cross says that's where the treasure will be
 For a life of silver and gold yo ho, is the life of a pirate bold
 Yes a life of silver and gold yo ho, is the life of a pirate bold

TEN JOLLY PIRATES

10 jolly pirates sailing out to sea, 10 jolly pirates sailing out to sea
But if one jumps overboard 1, 2, 3
There'll be 9 jolly pirates sailing out to sea

9 jolly pirates sailing out to sea, 9 jolly pirates sailing out to sea
But if one jumps overboard 1, 2, 3
There'll be 8 jolly pirates sailing out to sea

8 jolly pirates sailing out to sea, 8 jolly pirates sailing out to sea
But if one jumps overboard 1, 2, 3
There'll be 7 jolly pirates sailing out to sea

7 jolly pirates sailing out to sea, 7 jolly pirates sailing out to sea
But if one jumps overboard 1, 2, 3
There'll be 6 jolly pirates sailing out to sea

6 jolly pirates sailing out to sea, 6 jolly pirates sailing out to sea
But if one jumps overboard 1, 2, 3
There'll be 5 jolly pirates sailing out to sea

5 jolly pirates sailing out to sea, 5 jolly pirates sailing out to sea
But if one jumps overboard 1, 2, 3
There'll be 4 jolly pirates sailing out to sea

4 jolly pirates sailing out to sea, 4 jolly pirates sailing out to sea
But if one jumps overboard 1, 2, 3
There'll be 3 jolly pirates sailing out to sea

3 jolly pirates sailing out to sea, 3 jolly pirates sailing out to sea
But if one jumps overboard 1, 2, 3
There'll be 2 jolly pirates sailing out to sea

2 jolly pirates sailing out to sea, 2 jolly pirates sailing out to sea
But if one jumps overboard 1, 2, 3
There'll be 1 jolly pirate sailing out to sea

1 jolly pirate sailing out to sea, 1 jolly pirate sailing out to sea
But if he jumps overboard 1, 2, 3
There'll be no jolly pirates sailing out to sea

SSCD10 TRACK 4 / 20
PIRATE JACK

Pirate Jack had a hump on his back
And a patch across his eye
How this came to be, is a mystery to me
But he'll tell you a tale or two

He got his hump from carrying the treasure
He got his hump from carrying the treasure
He got his hump from carrying the treasure
Believe or not, the choice is up to you

Pirate Jack had a hump on his back
And a patch across his eye
How this came to be, is a mystery to me
But he'll tell you a tale or two

He lost his eye when a cannonball exploded
He lost his eye when a cannonball exploded
He lost his eye when a cannonball exploded
Believe or not, the choice is up to you

(repeat)

SSCD10 TRACK 5 / 20
JAMAICA FAREWELL

Down the way where the lights are gay
And the sun shines brightly on the mountaintop
I took a trip on a sailing ship
And when I reached Jamaica I made a stop

(chorus)

But I'm, sad to say I'm on my way
Won't be back for many a day
My heart is down, my head is turning around
I had to leave the one I love in Kingston town

Down in the markets you can hear
Ladies cry out while on their heads they bear
Akkai rice, salt fish are nice
And the rum is good any time of year

(chorus)

Sounds of laughter everywhere
And the dancing girls they swing to and fro
I must declare my heart is there
Though I've been from Maine down to Mexico

(chorus)

SSCD10 TRACK 6 / 20
ANN BONNY WAS A PIRATE QUEEN

(chorus)

Ann Bonny was a pirate queen
A braver lass you've never seen
She sailed away for a year and a day
And never lost her way!

She sailed into Jamaica bay
A galleon she spied
And looking through her telescope
"There's gold in there" she cried

(chorus)

She waited 'til the dead of night
Then slipping overboard
She rowed her way into the bay
To find herself a hoard

(chorus)

So silently she climbed on deck
And took them by surprise
A woman dressed in pirate rig
They couldn't believe their eyes!

(chorus)

So quick was she before they knew
She'd slipped below the deck
Her pockets soon were full of gold
And pearls were round her neck

(chorus)

So small was she, she got away
By slipping through a gap
And swiftly rowed across the waves
The treasure in her lap!

(chorus)

SSCD10 TRACK 7 / 20
A PIRATE SHIP SAILED ON THE ALLEY ALLEY O

A pirate ship sailed on the alley-alley-o
 The alley-alley-o, the alley-alley-o
 A pirate ship sailed on the alley-alley-o
 On the last day of September

The captain said, "I can see some land ahoy,
 See some land ahoy, see some land ahoy."
 The captain said, "I can see some land ahoy"
 On the last day of September

The boatswain said, "Let me go and get the map,
 Go and get the map, go and get the map"
 The boatswain said, "Let me go and get the map"
 On the last day of September

The first mate said, " Do you think we'll find the gold,
 Think we'll find the gold, think we'll find the gold?"
 The first mate said, "Do you think we'll find the gold?."
 On the last day of September

The captain said, "Bring the shovel and a spade,
 The shovel and a spade, the shovel and a spade."
 The captain said, " Bring the shovel and a spade."
 On the last day of September

The boatswain said, "Now we did, dig, dig
 Dig, dig dig, dig dig dig."
 The boatswain said " Now we dig dig dig"
 On the last day of September

The first mate said, "There's enough here for us all.
 Enough here for us all, enough here for us all."
 The boatswain said, "There's enough here for us all"
 On the last day of September

So they sailed away on the alley-alley-o
 The alley-alley-o, the alley-alley-o
 So they sailed away on the alley-alley-o
 On the last day of September

SSCD10 TRACK 8 / 20
A PIRATE SAILED OVER THE OCEAN

A pirate sailed over the ocean
A pirate sailed over the sea
A pirate sailed over the ocean
To look for some treasure for me

(chorus)

Bring back, bring back
Oh bring back some treasure for me, for me
Bring back, bring back
Oh bring back some treasure for me

The pirate he sailed through the north wind
The pirate he sailed through the rain
And though he looked hard for some treasure
I fear he was searching in vain

(chorus)

I hope that he finds me some silver
I hope that he finds me some gold
I hope that he finds me some rubies
I'll wear them until I grow old

(chorus)

Last night as I lay on my pillow
Last night as I lay on my bed
Last night as I lay on my pillow
I dreamed that the pirate was dead

(chorus)

Oh blow ye winds over the ocean
Oh blow ye winds over the sea
Oh blow ye winds over the ocean
And bring back some treasure for me

(chorus - repeat)

SSCD10 TRACK 9 / 20
A PIRATE WENT TO SEA

A pirate went to sea, sea, sea
To see what he could see, see, see
But all that he could see see see
Was the bottom of the deep blue sea sea sea

(chorus)

Far across the sea he went
Far across the sea he went
Far across the sea he went
Until the day was over

The pirate looked up high high high
For treasure in the sky sky sky
But when he looked up high high high
The sun shined in his eye eye eye

(chorus)

The pirate looked down low low low
For treasure far below, low, low
But when he looked down far below
A big fish scared him so so so!

(chorus)

The pirate spent the night night night
And got himself a fright fright fright
For while he slept that night night night
A ghost came dressed in white white white!

(chorus)

The pirate left his bed bed bed
As fast as can be said said said
Across the sea he fled fled fled
The ghost still in his head head head

(chorus - repeat)

MY SHIP SAILED FROM CHINA

My ship sailed from China with a cargo of tea
All laden with presents for you and for me
They bought me a fan just imagine my bliss
When I found myself going like this, like this, like this, like this

My ship sailed from China with a cargo of tea
All laden with presents for you and for me
They bought me a bell and just imagine my bliss
When I found myself going like this, like this, like this, like this

All laden with presents for you and for me

All laden with presents for you and for me
They bought me a drum just imagine my bliss
When I found myself going like this, like this, like this, like this

SSCD10 TRACK 11 / 20
I AM A CABIN BOY

I am a cabin boy and that's the life for me
I climb aboard this pirate ship to sail across the sea
Adventure comes with every trip
But that's the thrill of a pirate ship
Oh, I am a cabin boy and that's the life for me!

I am a cabin boy and that's the life for me
I climb aboard this pirate ship to sail across the sea
Yes, I'm the captain's right hand man
I always help him if I can
Oh, I am a cabin boy and that's the life for me!

I am a cabin boy and that's the life for me
I climb aboard this pirate ship to sail across the sea
A cabin boy is strong and tough
and bravest when the seas get rough
Oh, I am a cabin boy and that's the life for me!

I am a cabin boy and that's the life for me
I climb aboard this pirate ship to sail across the sea
There's just one thought on every mind
If treasures near it's ours to find
Oh, I am a cabin boy and that's the life for me!

I SAW A SHIP A-SAILING

I saw a ship a sailing, a-sailing on the sea
And oh, but it was laden, with pretty things for thee

(chorus)

There were comfits in the cabin, and apples in the hold
The sails were made of silk, and the masts were all of gold

The four and twenty sailors, that stood between the decks
Were four and twenty white mice, with chains about their necks

(chorus)

The captain was a duck, with a packet on his back,
And when the ship began to move, the captain said, 'Quack, quack'.

I CLIMBED ABOARD A PIRATE SHIP

(with Pirate Jokes interspersed)

I climbed aboard a pirate ship, and the captain said to me
"I go this way, that way, forwards, backwards over the Irish sea
A bottle of rum to fill my tum, and that's the life for me!"

Over the waves we go, far as the eye can see
Over the waves we go, and that's the life for me!

(repeat)

How came the ship to pass this way?
On a summer's day, on a summer's day
How came the ship to pass this way?
On a summer's day in the morning

Though brave and bold they'd lost their way
On a summer's day, on a summer's day

On a summer's day in the morning
