**FIVE LITTLE STARFISH**

Five little starfish sitting on a rock watching the fish swim by  
Five little starfish sitting on a rock watching the fish swim by  
Five little starfish sitting on a rock watching the fish swim by  
When along came a whale and scared one away  
And this is what the other ones said

Now we are...

Four little starfish sitting on a rock watching the fish swim by  
Four little starfish sitting on a rock watching the fish swim by  
Four little starfish sitting on a rock watching the fish swim by  
When along came a shark and scared one away

Now we are...

Three little starfish sitting on a rock watching the fish swim by  
Three little starfish sitting on a rock watching the fish swim by  
Three little starfish sitting on a rock watching the fish swim by  
When along came a seal and scared one away

Now we are...

Two little starfish sitting on a rock watching the fish swim by  
Two little starfish sitting on a rock watching the fish swim by  
Two little starfish sitting on a rock watching the fish swim by  
When along came a crab and scared one away

Now I am...

One little starfish sitting on a rock watching the fish swim by  
One little starfish sitting on a rock watching the fish swim by  
One little starfish sitting on a rock watching the fish swim by  
When along came a squid and scared it away

And now they have all gone away

SSCD011 TRACK 5 / 22  
**COCKLES AND MUSSELS**

In Dublin's fair city  
 Where girls are so pretty  
 I first set my eyes on sweet Molly Malone  
 As she wheeled her wheelbarrow  
 Through streets broad and narrow  
 Crying "Cockles and mussels alive, alive."

Alive, alive  
 Alive, alive  
 Crying, "Cockles and mussels alive, alive."

She was a fishmonger  
 But sure 'twas no wonder  
 For so were her father and mother before  
 As they each wheeled their barrow  
 Through streets broad and narrow  
 Crying, "Cockles and mussels alive, alive."

Alive, alive  
 Alive, alive  
 Crying, "Cockles and mussels alive, alive."

She died of a fever  
 And no one could save her  
 And that was the end of sweet Molly Malone  
 A ghost wheels her barrow  
 Through streets broad and narrow  
 Crying, "Cockles and mussels alive, alive."

Alive, alive  
 Alive, alive  
 Crying, "Cockles and mussels alive, alive."  
 Alive, alive  
 Alive, alive  
 Crying, "Cockles and mussels alive, alive."

**TEN LITTLE FISHES**

Ten little fishes swimming in the sea  
Ten little fishes swimming in the sea  
And if one little fishy, a scary shark should see  
There'd be nine little fishes swimming in the sea

Nine little fishes swimming in the sea  
Nine little fishes swimming in the sea  
And if one little fishy, a scary shark should see  
There'd be eight little fishes swimming in the sea

Eight little fishes swimming in the sea  
Eight little fishes swimming in the sea  
And if one little fishy, a scary shark should see  
There'd be seven little fishes swimming in the sea

Seven little fishes swimming in the sea  
Seven little fishes swimming in the sea  
And if one little fishy, a scary shark should see  
There'd be six little fishes swimming in the sea

Six little fishes swimming in the sea  
Six little fishes swimming in the sea  
And if one little fishy, a scary shark should see  
There'd be five little fishes swimming in the sea

Five little fishes swimming in the sea  
Five little fishes swimming in the sea  
And if one little fishy, a scary shark should see  
There'd be four little fishes swimming in the sea

**HENRY THE CRAB**

I'm Henry the crab, I live at the bottom  
 Right at the bottom of the sea  
 I'm Henry the crab, I like to go walking  
 I like to see who I can see  
 When I see a fish, I say, 'Pleased to meet you,  
 Can you tell me your name?'  
 'I'm Freddie the fish and I'm pleased to meet you,  
 And can you tell me your name?'

(chorus)  
 And I say ....  
 'Henry, Henry the crab  
 Yes, I'm Henry, Henry the crab  
 Now you've met me, friends we can be  
 Come and play with me at the bottom of the sea.'

I'm Henry the crab, I live at the bottom  
 Right at the bottom of the sea  
 I'm Henry the crab, I like to go walking  
 I like to see who I can see  
 When I see an eel, I say, 'Pleased to meet you,  
 Can you tell me your name?'  
 'I'm Ernie the eel and I'm pleased to meet you,  
 And can you tell me your name?'

(chorus)

I'm Henry the crab, I live at the bottom  
 Right at the bottom of the sea

**HAVE YOU SEEN THE GREAT BIG WHALE?**

Have you seen the great big whale, the great big whale, the great big whale  
Have you seen the great big whale spray water from its spout?

Yes I've seen the great big whale, the great big whale, the great big whale  
Yes I've seen the great big whale spray water from its spout

We've all seen the great big whale, the great big whale, the great big whale  
We've all seen the great big whale spray water from its spout

We've all seen the mermaid swim and comb her long blond hair

Have you seen the big shipwreck, the big shipwreck, the big shipwreck  
Have you seen the big shipwreck at the bottom of the sea?

We've all seen the big shipwreck, the big shipwreck, the big shipwreck  
We've all seen the big shipwreck at the bottom of the sea

SSCD011 TRACK 10 / 22  
**THE TURTLES GO SWIMMING**

The turtles go swimming one by one, hurrah, hurrah  
The turtles go swimming one by one, hurrah, hurrah  
    The turtles go swimming one by one  
    The little one stopped to have some fun  
And they all went swimming home in time for tea

The turtles go swimming two by two, hurrah, hurrah  
The turtles go swimming two by two, hurrah, hurrah  
    The turtles go swimming two by two  
    The little one stopped to look at the view  
And they all went swimming home in time for tea

The turtles go swimming three by three, hurrah, hurrah  
The turtles go swimming three by three, hurrah, hurrah  
    The turtles go swimming three by three  
    The little one stopped to find his key  
And they all went swimming home in time for tea

The turtles go swimming four by four, hurrah, hurrah  
The turtles go swimming four by four, hurrah, hurrah  
    The turtles go swimming four by four  
    The little one stopped to shut the door  
And they all went swimming home in time for tea.

The turtles go swimming five by five, hurrah, hurrah  
The turtles go swimming five by five, hurrah, hurrah  
    The turtles go swimming five by five  
    The little one stopped to say goodbye  
And they all went swimming home in time for tea

SSCD011 TRACK 11 / 22  
**I DO LIKE TO BE BESIDE THE SEASIDE**

Oh, I do like to be beside the seaside  
Oh, I do like to be beside the sea  
I do like to stroll upon the prom, prom, prom  
Where the brass band plays tiddle-om-pom-pom

So just let me be beside the seaside  
I'll be beside myself with glee  
And there's lots of girls besides  
I should like to be beside, beside the seaside, beside the sea

(repeat)

SSCD011 TRACK 12 / 22  
**I SAW A SHIP A-SAILING**

I saw a ship a-sailing, a-sailing on the sea  
And all of it was laden  
With pretty things for me  
There were comfits in the cabin  
And apples in the hold  
The sails were made of silk  
And the masts were all of gold

The four and twenty sailors  
That stood between the decks  
Were four and twenty white mice  
With chains about their necks  
The captain was a duck  
With a packet on his back  
And when the ship began to move  
The captain said 'quack, quack'

I saw a ship a-sailing, a-sailing on the sea  
And all of it was laden  
With pretty things for me  
There were comfits in the cabin  
And apples in the hold  
The sails were made of silk  
And the masts were all of gold

SSCD011 TRACK 13 / 22  
**THE DAY I WENT TO SEA**

When I was one, I'd just begun, the day I went to sea  
I jumped aboard a pirate ship, and the captain said to me

I'm going this way, that way, forwards, backwards  
Over the Irish Sea  
A bottle of rum to fill my tum, and that's the life for me

When I was two, I buckled my shoe, the day I went to sea  
I jumped aboard a pirate ship, and the captain said to me

I'm going this way, that way, forwards, backwards  
Over the Irish Sea  
A bottle of rum to fill my tum, and that's the life for me

When I was three, I climbed a tree, the day I went to sea  
I jumped aboard a pirate ship, and the captain said to me

I'm going this way, that way, forwards, backwards  
Over the Irish Sea  
A bottle of rum to fill my tum, and that's the life for me

When I was four, I knocked on the door, the day I went to sea  
I jumped aboard a pirate ship, and the captain said to me

I'm going this way, that way, forwards, backwards  
Over the Irish Sea  
A bottle of rum to fill my tum, and that's the life for me

When I was five, I learned to dive, the day I went to sea  
I jumped aboard a pirate ship, and the captain said to me

I'm going this way, that way, forwards, backwards  
Over the Irish Sea  
A bottle of rum to fill my tum, and that's the life for me

I'm going this way, that way, forwards, backwards  
Over the Irish Sea  
A bottle of rum to fill my tum, and that's the life for me

SSCD011 TRACK 14 / 22  
**THE BIG SHIPS SAILS**

The big ship sails on the ally ally O  
The ally ally O  
The ally ally O  
The big ship sails on the ally ally O  
On the last day of September

The Captain says it will never never do  
Never never do  
Never never do  
The Captain says it will never never do  
On the last day of September

The big ship sank to the bottom of the sea  
The bottom of the sea  
The bottom of the sea  
The big ship sank to the bottom of the sea  
On the last day of September

We all dip our hands in the deep blue sea  
The deep blue sea  
The deep blue sea  
We all dip our hands in the deep blue sea  
On the last day of September

(repeat)

SSCD011 TRACK 15 / 22  
**A LIFE ON THE OCEAN WAVE**

A life on the ocean wave  
And a home on the rolling deep  
Where the scattered waters rave  
And the winds their revels keep  
Like an eagle caged I pine  
On the dull unchanging shore  
Oh give me the flashing brine  
The spray and the tempest roar

A life on the ocean wave  
And a home on the rolling deep  
Where the scattered waters rave  
And the winds their revels keep  
The winds, the winds, the winds their revels keep  
The winds, the winds, the winds their revels keep

SSCD011 TRACK 16 / 22

One, two, three, four, five  
Once I caught a fish alive  
Six, seven, eight, nine, ten  
Then I let it go again

Which finger did it bite?  
This little finger on my right
