A Life On The Ocean Wave

A life on the ocean wave
And a home on the rolling deep
Where the scattered waters rave
And the winds their revels keep
Like an eagle caged I pine
On the dull unchanging shore
Oh give me the flashing brine
The spray and the tempest roar

A life on the ocean wave
And a home on the rolling deep
Where the scattered waters rave
And the winds their revels keep
The winds, the winds, the winds their revels keep
The winds, the winds, the winds their revels keep

(repeat)

The Big Ship Sails

The big ship sails on the ally ally O
The ally ally O
The ally ally O
The big ship sails on the ally ally O
On the last day of September

The Captain says it will never never do
Never never do
Never never do
The Captain says it will never never do
On the last day of September

The big ship sank to the bottom of the sea
Bottom of the sea
Bottom of the sea
The big ship sank to the bottom of the sea
On the last day of September

We all dip our hands in the deep blue sea
Deep blue sea
Deep blue sea
We all dip our hands in the deep blue sea
On the last day of September

(repeat)

Row Row Row Your Boat

Row, row, row your boat far across the sea
Heave-ho, heave-ho, that's the life for me
Row, row, row your boat far across the sea
Heave-ho, heave-ho, that's the life for me

Row, row, row your boat far across the sea
Help there is a pirate ship, heading straight for me
Row, row, row your boat quickly back to shore
Merrily, merrily, merrily, merrily, safe at last once more

The Turtles Go Swimming

The turtles go swimming one by one, hurrah, hurrah
The turtles go swimming one by one, hurrah, hurrah
 The turtles go swimming one by one
 The little one stopped to have some fun
And they all went swimming, home in time for tea

The turtles go swimming two by two, hurrah, hurrah
The turtles go swimming two by two, hurrah, hurrah
 The turtles go swimming two by two
 The little one stopped to look at the view
And they all went swimming, home in time for tea

The turtles go swimming three by three, hurrah, hurrah
The turtles go swimming three by three, hurrah, hurrah
 The turtles go swimming three by three
 The little one stopped to find his key
And they all went swimming, home in time for tea

The turtles go swimming four by four, hurrah, hurrah
The turtles go swimming four by four, hurrah, hurrah
 The turtles go swimming four by four
 The little one stopped to shut the door
And they all went swimming, home in time for tea

The turtles go swimming five by five, hurrah, hurrah
The turtles go swimming five by five, hurrah, hurrah
 The turtles go swimming five by five
 The little one stopped to say goodbye
And they all went swimming, home in time for tea

I Saw Three Ships

I saw three ships come sailing in
On a summer's day, on a summer's day
I saw three ships come sailing in
On a summer's day in the morning

And what was in those ships all three?
On a summer's day, on a summer's day
And what was in those ships all three?
On a summer's day in the morning

A pirate captain and his crew
On a summer's day, on a summer's day
A pirate captain and his crew
On a summer's day in the morning

How came the ship to pass this way?
On a summer's day, on a summer's day
How came the ship to pass this way?
On a summer's day in the morning

Though brave and bold they'd lost their way
On a summer's day, on a summer's day
Though brave and bold they'd lost their way
On a summer's day in the morning

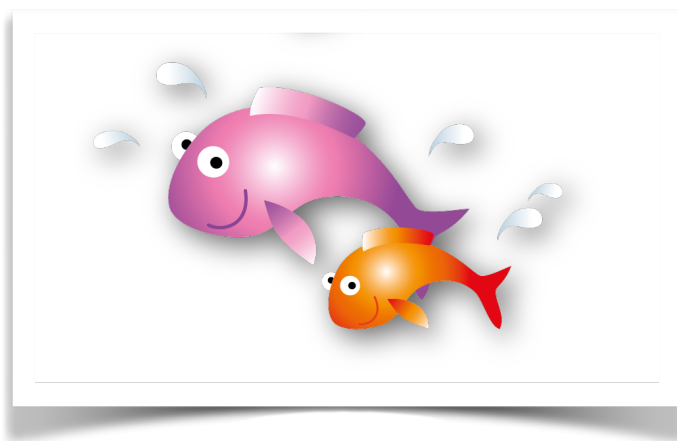

Down At The Bottom Of The Deep Blue Sea

Down at the bottom of the deep blue sea
I catch fishes one, two, three

Down at the bottom of the deep blue sea
I catch fishes one, two, three

Down at the bottom of the deep blue sea
I catch fishes one, two, three

Down at the bottom of the deep blue sea
I catch fishes one, two, three

The Day I Went To Sea

When I was one, I'd just begun, the day I went to sea
I jumped aboard a pirate ship, and the captain said to me

I'm going this way, that way, forwards, backwards
Over the Irish Sea
A bottle of rum to fill my tum, and that's the life for me

When I was two, I buckled my shoe, the day I went to sea
I jumped aboard a pirate ship, and the captain said to me

I'm going this way, that way, forwards, backwards
Over the Irish Sea
A bottle of rum to fill my tum, and that's the life for me

When I was three, I climbed a tree, the day I went to sea
I jumped aboard a pirate ship, and the captain said to me

I'm going this way, that way, forwards, backwards
Over the Irish Sea
A bottle of rum to fill my tum, and that's the life for me

When I was four, I knocked on the door, the day I went to sea
I jumped aboard a pirate ship, and the captain said to me

I'm going this way, that way, forwards, backwards
Over the Irish Sea
A bottle of rum to fill my tum, and that's the life for me

When I was five, I learned to dive, the day I went to sea
I jumped aboard a pirate ship, and the captain said to me

I'm going this way, that way, forwards, backwards
Over the Irish Sea
A bottle of rum to fill my tum, and that's the life for me

I'm going this way, that way, forwards, backwards
Over the Irish Sea
A bottle of rum to fill my tum, and that's the life for me

My Ship Sailed From China

My ship sailed from China with a cargo of tea
All laden with presents for you and for me
They bought me a fan, just imagine my bliss
When I found myself going like this, like this, like this, like this

My ship sailed from China with a cargo of tea
All laden with presents for you and for me
They bought me a bell, just imagine my bliss
When I found myself going like this, like this, like this, like this

My ship sailed from China with a cargo of tea
All laden with presents for you and for me
They bought me a harp, just imagine my bliss
When I found myself going like this, like this, like this, like this

My ship sailed from China with a cargo of tea
All laden with presents for you and for me
They bought me a flute, just imagine my bliss
When I found myself going like this, like this, like this, like this

My ship sailed from China with a cargo of tea
All laden with presents for you and for me
They bought me a drum, just imagine my bliss
When I found myself going like this, like this, like this, like this

Ten Little Fishes

Ten little fishes swimming in the sea
Ten little fishes swimming in the sea
And if one little fishy, a scary shark should see
There'd be nine little fishes swimming in the sea

Nine little fishes swimming in the sea
Nine little fishes swimming in the sea
And if one little fishy, a scary shark should see
There'd be eight little fishes swimming in the sea

Eight little fishes swimming in the sea
Eight little fishes swimming in the sea
And if one little fishy, a scary shark should see
There'd be seven little fishes swimming in the sea

Seven little fishes swimming in the sea
Seven little fishes swimming in the sea
And if one little fishy, a scary shark should see
There'd be six little fishes swimming in the sea

Six little fishes swimming in the sea
Six little fishes swimming in the sea
And if one little fishy, a scary shark should see
There'd be five little fishes swimming in the sea

Five little fishes swimming in the sea
Five little fishes swimming in the sea
And if one little fishy, a scary shark should see
There'd be four little fishes swimming in the sea

Four little fishes swimming in the sea
Four little fishes swimming in the sea
And if one little fishy, a scary shark should see
There'd be three little fishes swimming in the sea

Three little fishes swimming in the sea
Three little fishes swimming in the sea
And if one little fishy, a scary shark should see
There'd be two little fishes swimming in the sea

Two little fishes swimming in the sea
Two little fishes swimming in the sea
And if one little fishy, a scary shark should see
There'd be one little fishy swimming in the sea

One little fishy swimming in the sea
One little fishy swimming in the sea
And if one little fishy, a scary shark should see
There'd be no little fishes swimming in the sea

My Bonnie Lies Over The Ocean

My Bonnie lies over the ocean, my Bonnie lies over the sea
My Bonnie lies over the ocean, oh bring back my Bonnie to me

(chorus)

Bring back, bring back, oh bring back my Bonnie to me, to me
Bring back, bring back, oh bring back my Bonnie to me

Last night as I lay on my pillow, last night as I lay on my bed
Last night as I lay on my pillow, I dreamed that my Bonnie was dead

(chorus)

Oh blow ye winds over the ocean, oh blow ye winds over the sea
Oh blow ye winds over the ocean, and bring back my Bonnie to me

(chorus)

The winds are blown over the ocean, the winds are blown over the sea
The winds are blown over the ocean, and brought back my Bonnie to me

(chorus)

The Sinking Sailor

What shall we do with the sinking sailor?
What shall we do with the sinking sailor?
What shall we do with the sinking sailor?
Early in the morning

(chorus)

Hooray and up he rises
Hooray and up he rises
Hooray and up he rises
Early in the morning

Throw him a line and pull him over
Throw him a line and pull him over
Throw him a line and pull him over
Early in the morning

(chorus)

Catch him quick, there's a shark in the water
Catch him quick, there's a shark in the water
Catch him quick, there's a shark in the water
Early in the morning

(chorus)

What shall we do with the sinking sailor?
What shall we do with the sinking sailor?
What shall we do with the sinking sailor?
Early in the morning

(chorus x 2)

Five Little Starfish

Five little starfish sitting on a rock, watching the fish swim by
Five little starfish sitting on a rock, watching the fish swim by
Five little starfish sitting on a rock, watching the fish swim by
 When along came a whale and scared one away
 And this is what the other ones said

Now we are...

Four little starfish sitting on a rock, watching the fish swim by
Four little starfish sitting on a rock, watching the fish swim by
Four little starfish sitting on a rock, watching the fish swim by
 When along came a shark and scared one away
 And this is what the other ones said

Now we are...

Three little starfish sitting on a rock, watching the fish swim by
Three little starfish sitting on a rock, watching the fish swim by
Three little starfish sitting on a rock, watching the fish swim by
 When along came a seal and scared one away
 And this is what the other ones said

Now we are...

Two little starfish sitting on a rock, watching the fish swim by
Two little starfish sitting on a rock, watching the fish swim by
Two little starfish sitting on a rock, watching the fish swim by
 When along came a crab and scared one away
 And this is what the other one said

Now I am...

One little starfish sitting on a rock, watching the fish swim by
One little starfish sitting on a rock, watching the fish swim by
One little starfish sitting on a rock, watching the fish swim by
 When along came a squid and scared it away
 And now they have all gone away!

I Am A Cabin Boy

I am a cabin boy and that's the life for me
I climb aboard this pirate ship to sail across the sea
Adventure comes with every trip
But that's the thrill of a pirate ship
Oh, I am a cabin boy and that's the life for me!

I am a cabin boy and that's the life for me
I climb aboard this pirate ship to sail across the sea
Yes, I'm the captain's right hand man
I always help him if I can
Oh, I am a cabin boy and that's the life for me!

I am a cabin boy and that's the life for me
I climb aboard this pirate ship to sail across the sea
A cabin boy is strong and tough
And bravest when the seas get rough
Oh, I am a cabin boy and that's the life for me!

I am a cabin boy and that's the life for me
I climb aboard this pirate ship to sail across the sea
There's just one thought on every mind
If treasures near it's ours to find
Oh, I am a cabin boy and that's the life for me!

I Saw A Ship A-Sailing

I saw a ship a-sailing, a-sailing on the sea
And all of it was laden
With pretty things for me
There were comfits in the cabin
And apples in the hold
The sails were made of silk
And the masts were all of gold

The four and twenty sailors
That stood between the decks
Were four and twenty white mice
With chains about their necks
The captain was a duck
With a packet on his back
And when the ship began to move
The captain said 'quack, quack'

I saw a ship a-sailing, a-sailing on the sea
And all of it was laden
With pretty things for me
There were comfits in the cabin
And apples in the hold
The sails were made of silk
And the masts were all of gold

Fire Fire Fire Down Below

Fire, fire, fire down below
Fetch a bucket of water boys, there's fire down below
Fire, fire, fire down below
Fetch a bucket of water boys, there's fire down below

Fire in the galley, fire down below
Fetch a bucket of water boys, there's fire down below
Fire in the galley, fire down below
Fetch a bucket of water boys, there's fire down below

Hurry, hurry, put the fire out
Hurry, hurry, put the fire out
Hurry, hurry, put the fire out
Hurry, hurry, put the fire out

Hurry, hurry, put the fire out
Hurry, hurry, put the fire out
Hurry, hurry, put the fire out
Hurry, hurry, put the fire out

Fire, fire, fire down below
Fetch a bucket of water boys, there's fire down below
Fire, fire, fire down below
Fetch a bucket of water boys, there's fire down below

*(repeat x 2 'Hurry, hurry... & Fire, fire...'
verses sung together at the same time)*

Fire, fire, fire down below
Fetch a bucket of water boys, there's fire down below
Fire in the cabin, fire down below
Fire in the cabin boys and the captain doesn't know!

Jamaica Farewell

Down the way where the lights are gay
And the sun shines brightly on the mountain top
I took a trip on a sailing ship
And when I reached Jamaica I made a stop

(chorus)

But I'm, sad to say I'm on my way
Won't be back for many a day
My heart is down, my head is turning around
I had to leave the one I love in Kingston town

Down in the markets you can hear
Ladies cry out while on their heads they bear
Akkai rice, salt fish are nice
And the rum is good any time of year

(chorus)

Sounds of laughter everywhere
And the dancing girls they swing to and fro
I must declare my heart is there
Though I've been from Maine down to Mexico

(chorus)
