# First Christmas

Snowflakes falling to the ground  
I'm wide awake, but I hear no sound  
It's my very first Christmas  
Here with you

Mum's lifting me from my cot at last  
I'm so excited, I think I'll burst  
It's my very first Christmas  
Here with you

Christmas, oh Christmas  
My first Christmas with you  
It's my very first Christmas  
Here with you

Wonder what will be, under a tree  
Maybe my very own teddy  
It's my very first Christmas  
Here with you

The lights are twinkling on the tree  
And everything's perfect to me  
On my very first Christmas  
Here with you

Christmas, oh Christmas  
My first Christmas with you  
It's my very first Christmas  
Here with you

It's my very first Christmas  
Here with you

# Little Snowman In The Snow

Little snowman in the snow  
Little snowman in the snow  
Little snowman in the snow  
You love to play

But if the sun comes out today  
If the sun comes out today  
If the sun comes out today  
You'll melt all away

*(repeat)*

# When Santa Got Stuck Up The Chimney

When Santa got stuck up the chimney  
He began to shout  
You girls and boys  
Won't get any toys  
If you don't pull me out

My beard is black  
There's soot in my sack  
My nose is tickly too

When Santa got stuck up the chimney  
Achoo! Achoo! Achoo!

*(repeat)*

# Sweet Little Tree

Sweet little tree  
So pretty and green  
You're the best little tree  
That I've ever seen  
And I can't wait, to decorate  
You for the Christmas season

There'll be lights  
There'll be baubles  
Tinsels and stars  
A wonderful Santa  
That ho hos and las  
But best of all on top of the tree  
A beautiful shining angel

Christmas is here  
Christmas is here  
It's so exciting to me  
But the thing I love best  
More than the rest  
Is our little Christmas tree

Sweet little tree  
So pretty and green  
You're the best little tree  
That I've ever seen  
And I can't wait, to decorate  
You for the Christmas season

Sweet little tree  
So pretty and green  
You're the best little tree  
That I've ever seen  
And I can't wait, to decorate  
You for the Christmas season

## In My Little House

Under the pot, I've left a key  
For Father Christmas, just from me  
For the problem is we've no chimney  
In my little house

An invisible key that Santa Claus  
Can use to open up my door  
And he won't lose it, in fact I'm sure  
In my little house

I've left him a note, to tell him that  
If he tiptoes, tiptoes round the back  
And I haven't left it under the mat  
In my little house

So take three steps forward from the gate  
Two steps to the left and then you make  
A giant leap, you'll be heading straight  
For my little house

I've left a carrot and a mince pie, by the tree  
So his journey home is more merry  
My Mum suggested that to me  
In my little house

So I hope he gets my note okay  
It really will make Christmas Day  
And we'll all shout out, hip hip hooray  
In my little house

La la la la la...  
In my little house

## When The World Is All Snowy

Little star in the sky  
Shining down on me  
Look around, you will see  
The world is all snowy

I love it when, I love it when  
The world is all snowy  
I love it when, I love it when  
The world is all snowy

## Away In A Manger

Away in a manger, no crib for a bed  
The little Lord Jesus laid down his sweet head  
The stars in the bright sky looked down where he lay  
The little Lord Jesus asleep on the hay

The cattle are lowing, the baby awakes  
But little Lord Jesus no crying he makes  
I love thee Lord Jesus, look down from the sky  
And stay by my side until morning is nigh

Away in a manger, no crib for a bed  
The little Lord Jesus laid down his sweet head  
The stars in the bright sky looked down where he lay  
The little Lord Jesus asleep on the hay

## Build A Snowman

Build a snowman in the snow  
Roll the snowball, watch him grow  
Button eyes and carrot nose  
A hat and a scarf for his clothes  
We have had a brilliant day  
Watch him, watch him melt away

*(repeat)*

## Deck The Halls

Deck the halls with boughs of holly  
Fa la la la la la la la la  
Tis the season to be jolly  
Fa la la la la la la la la  
Don we now our gay apparel  
Fa la la la la la la la la  
Troll the ancient yule tide carol  
Fa la la la la la la la la

See the blazing yule before us  
Fa la la la la la la la la  
Strike the harp and join the chorus  
Fa la la la la la la la la  
Follow me in merry measure  
Fa la la la la la la la la  
While I tell of yuletide treasure  
Fa la la la la la la la la

Deck the halls with boughs of holly  
Fa la la la la la la la la  
Tis the season to be jolly  
Fa la la la la la la la la  
Don we now our gay apparel  
Fa la la la la la la la la  
Troll the ancient yule tide carol  
Fa la la la la la la la la

## My Christmas List

There is only one thing on my Christmas list this year  
A teddy bear, a teddy bear  
There is only one thing on my Christmas list this year  
A teddy bear for me

*(repeat)*

# I Saw Three Ships

I saw three ships go sailing by  
On Christmas day, on Christmas day  
I saw three ships go sailing by  
On Christmas day in the morning

And what was in the ships all three  
On Christmas day, on Christmas day  
And what was in the ships all three  
On Christmas day in the morning

Our saviour Christ and his lady  
On Christmas day, on Christmas day  
Our saviour Christ and his lady  
On Christmas day in the morning

And all the bells on Earth did ring  
On Christmas day, on Christmas day  
And all the bells on Earth did ring  
On Christmas day in the morning

# Me Mum's Christmas Pud

There is nothing like a Christmas pudding  
Nothing better you can eat  
Especially the one my Mum makes  
It really is a Christmas treat

Cos it's tasty and it's yummy and it's scrummy  
And it's gorgeous and it's scrumptious and it's good  
If you gave me the whole world to choose from  
I'd always choose me Mums Christmas pud

*(repeat)*

*(Note: Both verses are sung at the same time - by lead singer and backing singers)*

# Reindeer

Reindeer, reindeer, take me for a ride  
On this magic, cloudless starry night

All the children, are tucked up in their beds  
All their wishes, Father Christmas read

The sleigh is brimming over with their toys  
When they're given, they will bring such joy

Santa, Santa, Santa's on his way  
Flying, flying, the night air on his sleigh

Children, children, all of them asleep  
All their secret hopes are safe in Santa's keep

It's snowing, snowing, snowing now tonight  
And the first chimney, we'll stop at, is already in sight

Santa, Santa, make our dreams come true  
And I have something I must say to you

Thank you

Thank you

Thank you

Thank you

Thank you Father Christmas

# We Three Kings

We three kings of Orient are  
Bearing gifts we traverse afar  
Field and fountain moor and mountain  
Following yonder star

*(chorus)*

Oh, star of wonder, star of night  
Star with royal beauty bright  
Westward leading, still proceeding  
Guide us to thy perfect light

Born a king on Bethlehem plain  
Gold I bring to crown Him again  
King forever, ceasing never  
Over us all to reign

*(chorus)*

Frankincense to offer have I  
Incense owns a Deity nigh  
Prayer and praising, all men raising  
Worship him God most high

*(chorus)*

Myrrh is mine, it's bitter perfume  
Breaths a life of gathering gloom  
Sorrowing, sighing, bleeding, dying  
Sealed in a stone-cold tomb

*(chorus)*

Glorious now, behold him arise  
King and God and sacrifice  
Heaven sing alleluia  
Alleluia the earth replies

*(chorus - repeat)*

# The Snow Is Falling In The Valley

The snow is falling in the valley  
The snow is falling all around  
And everyone is catching snowflakes  
As they're falling to the ground

*(chorus)*

Oh we love the snow  
Yes we love the snow

Everybody here is sleighing  
See them, down the hill they go  
And they are having the best time  
The best time they will know

*(chorus)*

The snow is falling in the valley  
The snow is falling all around  
And everyone is catching snowflakes  
As they're falling to the ground

*(chorus)*

Everybody here is sleighing  
See them, down the hill they go  
And they are having the best time  
The best time they will know

*(chorus)*

# Everybody Be A Christmas Tree

Everybody be a Christmas tree  
Christmas tree, Christmas tree  
Tall and green and sparkly

Everybody be a ringing bell  
Ringing bell, ringing bell  
You can be a tree as well

Everybody say "How do you do"  
"How do you do", "How do you do"  
Turn around and touch your shoe

Everybody clap, one, two, three  
One, two, three, one, two, three  
Clap your hands and stamp your feet

Everybody be a singing bird  
Singing bird, singing bird  
The sweetest sound you've ever heard

Everybody be a Christmas tree  
Christmas tree, Christmas tree  
Tall and green and sparkly

# Little Jesus Sweetly Sleep

Little Jesus sweetly sleep  
Do not stir  
We will lend a coat of fur

We will rock you, rock you, rock you  
We will rock you, rock you, rock you  
See the fur, to keep you warm  
Snugly round your tiny form

Mary's little baby sleep  
Sweetly sleep  
Sleep in comfort, slumber deep

We will rock you, rock you, rock you  
We will rock you, rock you, rock you  
We will serve you all we can  
Darling, darling little man

*Part One of the story - Our Christmas Journey precedes the song...*

## Follow The Star

Follow the star  
Follow the star  
Follow the shining star  
Follow the star that's in the sky

Follow the star  
Follow the star  
Follow the shining star  
Follow the star that's really high

Follow the star  
Follow the star  
Follow the shining star  
Follow the star that's really bright

Follow the star  
Follow the star  
Follow the shining star  
Follow the star this special night

*Part two of the story - Our Christmas Journey precedes the song...*

## Donkey Donkey Donkey

Donkey, donkey, donkey  
Will you take me to  
The place, the place  
I want to get to

Donkey, donkey, donkey  
You're tired, I'm heavy too  
But I would be  
So grateful to you

*(repeat)*

*Part three of the story - Our Christmas Journey precedes the song...*

## Is There A Room?

Is there a room for us here sir?  
Is there a room in your inn,  
for us to come in?  
We won't be staying too long sir  
We'll be gone, before you know it

We are so tired and weary  
And Mary's in need of a rest  
Any old room, it will do sir  
Let us be, let us be, your guests

*(repeat)*

*Part four of the story - Our Christmas Journey precedes the song...*

## There Is A Room

There is room in the stable, for more than the sheep  
And the donkey, which the inn keeper keeps  
There's a corner where the cradle will go  
For the babe, to be born

There is room in the stable, for more than the sheep  
For the goat and the hens, which the inn keeper keeps  
There is room for a cradle to bear the sweet child  
On this night, this special night

They'll be Mary and Joseph  
And shepherds and kings  
And they'll all come together  
And their hearts will sing  
As they witness Jesus's  
First hour in this world  
In this world, this special world

And we all feel that love  
From so long ago  
The most precious moment  
We ever will know  
And we still celebrate it  
It always will be so  
Will be so, will be so

There is room in the stable, for more than the sheep  
And the donkey, which the inn keeper keeps  
There's a corner where the cradle will go  
For the babe, to be born

They'll be Mary and Joseph  
And shepherds and kings  
And they'll all come together  
And their hearts will sing  
As they witness Jesus's  
First hour in this world  
In this world, this special world

And we all feel that love  
From so long ago  
The most precious moment  
We ever will know  
And we still celebrate it  
It always will be so  
Will be so, will be so, will be so

*Part five of the story - Our Christmas Journey precedes the song...*

## Silent Night

Silent night, holy night  
All is calm, all is bright  
Round yon virgin mother and child  
Holy infant, so tender and mild  
Sleep in heavenly peace  
Sleep in heavenly peace

Silent night, holy night  
Shepherds quake at the sight  
Glories stream from heaven afar  
Heavenly host sing alleluia  
Christ the saviour is born  
Christ the saviour is born

Silent night, holy night  
All is calm, all is bright  
Round yon virgin mother and child  
Holy infant so tender and mild  
Sleep in heavenly peace  
Sleep in heavenly peace

# It's Here

The waiting is over  
And the singing's begun  
And the bells are all ringing  
It's time, it's time to have some fun

It's here, it's here  
Christmas time is here  
It's here, it's here  
Christmas time is here

So we'd all like to wish you  
A season of good cheer  
For the waiting is over  
Christmas time is here

It's here, it's here  
Christmas time is here  
It's here, it's here  
Christmas time is here

So we'd all like to wish you  
A season of good cheer  
For the waiting is over  
Christmas time is here

It's here, it's here  
Christmas time is here  
It's here, it's here  
Christmas time is here

It's here, it's here  
Christmas time is here  
It's here, it's here  
Christmas time is here

# Jingle Bells

Jingle bells, jingle bells, jingle all the way  
Oh what fun it is to ride, in a one-horse open sleigh  
Jingle bells, jingle bells, jingle all the way  
Oh what fun it is to ride in a one-horse open sleigh

Dashing through the snow  
In a one-horse open sleigh  
Over fields we go  
Laughing all the way  
Bells on bobtails ring  
Making spirits bright  
What fun it is to sing  
A sleighing song tonight

Oh jingle bells, jingle bells, jingle all the way  
Oh what fun it is to ride, in a one-horse open sleigh  
Jingle bells, jingle bells, jingle all the way  
Oh what fun it is to ride in a one-horse open sleigh
